Continuous updating and revision of curricula is something which must be deeply ingrained in the academic culture of a university. Each individual University must ensure that the curricula development exercise leading to major revision in course contents and curricula is taken up every three years.

7. Continuous updating and revision of curricula is something which must be deeply ingrained in the academic culture of a university. Each individual University must ensure that the curricula development exercise leading to major revision in course contents and curricula is taken up every three years.

From the Chair:

The Dean of the Science Faculty, Dr. G.C. Bhimani placed on record the commendable achievements of Chemistry Department of Saurashtra University and congratulated the Chemistry Department for creating history in Saurashtra University. The noteworthy achievements of the Chemistry Department that have brought laurels to the University and the Chemistry Department are:

1. The Chemistry Department has confirmed/taken for than five patents which indeed is a remarkable feat.
2. Chemistry Department is the first department in Saurashtra University to appoint an eminent scientist an Adjunct Professor under the UGC scheme. Under this scheme prof Bipin Pandey has been appointed as an Adjunct Professor in Chemistry.
3. The Chemistry Department is the only department of Saurashtra University to achieve the distinction as a Centre for Excellence and has been sanctioned a grant of 13 crores.

The members of the Bos Chemistry applauded these achievements and congratulated the Head of the Chemistry Department, Dr. P.H. Parsania and the Dean of the Science Faculty, Dr. G.C. Bhimani for their notable contribution in this regards.

- The board has unanimously resolved that for Ph.D. reviewers subject wise list to be prepared and circulated among recognized guides of this University. More over the recognized guides can suggest the names of the reviewers besides the list The reviewers must have produced at list 5 Ph.D. and good number of publications .
- Board of Studies have unanimously recommended to reform semester wise syllabi of the U.G. Chemistry Courses and for that Semester wise expert committee to be formed by the Chairman of the Board of Studies and for P.G. Courses H.O.D. Chemistry & Chairman P.G.Adhoc Board will appoint such committee Preliminary discussion about it's revision should be discussed it next board meeting.
- Board of Studies should meet in the beginning of each term. Above recommendation should be put forward in the ensuing Faculty meeting.
